**COMMENTS ON STATEMENT OF REASON FOR ALLOWANCE**

Sir:

Applicant appreciates the indication in the Notice of Allowance mailed June 15, 2005 that claims 22-37 are allowed. While Applicant agrees these claims are patentable over the cited references, Applicant does not agree that patentability resides in each feature exactly as expressed in the claims, nor that each feature is required for patentability of each claim.

Respectfully Submitted,

Hae-Chan Park  
Registration No. 50,114

Date: September 14, 2005
